FALL SESSION

# Welcome

### Council Bishop's Address

*Praise the Lord to the North Carolina Council Leaders, Delegates and Friends. As we begin our October 2014 Council session, I encourage each delegate to obey Paul's command as written in Philippians 2:4-5*

*"Look not every man on his own things, but every man also on the things of others. Let this mind be in you, which was also in Christ Jesus."*

*Because the enemy is running out of time, he is doing his level best to hinder the work of the Lord. In like manner, we must bind together to make sure God's purpose and will is fulfilled. We have an obligation to shine as lights in this darkened world. Let us follow Jesus' example of taking on the form of a servant for the greater good of the Body of Christ. When you see a weak link in the Body of Christ, stop to strengthen that link. Don't allow the enemy to tear down what we are building for Christ.*

*As always, I encourage everyone to attend as many seminars and/or services as possible. Keep in mind that the purpose we come together is to strengthen and equip each other to tear down Satan's stronghold. Remember, when the Body of Christ unifies, God is glorified and His purpose is fulfilled.*

*Respectfully submitted,  
Diocesan Bishop Otto Richardson, Jr.*

Council Bishop's Address

# NORTH CAROLINA DISTRICT COUNCIL

FALL SESSION

Thursday, October 23 - Saturday, October 25, 2014

## Council Chairman's Address

*Praise The Lord to the delegates and guests of the 2014 Fall Session of the North Carolina District Council. We take great delight in welcoming you to this time of ingathering for the people of God.*

*Fall is traditionally considered a time of harvest for those working in agriculture and seasonal produce. However before the harvest there had to be those faithful workers that did whatever was necessary to insure that there was a viable crop to gather. Whether the crops required replanting, weeding or irrigation, someone had a special passion to see the crop through to the time it released its fruit.*

*The Church must have a people that are willing to stay the course until we realize that for which we have been apprehended of the Lord. My short time in the U. S. Military allowed me to view what is referred to as "Special Forces". The first thing I noticed was that they stayed in training for their unique skill sets far longer than we that were in the regular units. The term "Special" allows us to recognize that much energy was put into their training and preparation for their special tasks ahead. Once their training is completed they stand at the ready to go where ever the Commander In Chief sends them. As in the military, so it is in the "body of Christ" when it comes to being prepared for the work the Lord has for us. Our focus is to continue to train, just like the Special Forces units, until the opportunity presents itself for action. Do you have a passion to see God's will being done? Are you willing to continually train until you are called upon to act? If so, then you are in the right place at the right time. Not only does the U. S. Military need "Special Forces", so does the church.*

*We hope that you will take this opportunity to refocus and determine in your mind that you will go into the dark places where the gospel has not reached, whether it be abroad or right here at home. Be special and be a force for the Lord!*

*Yours In Christ,  
Jurisdictional Bishop G. E. Dobbin*

WELCOME
