WINTER SESSION

Thursday, February 18 - Saturday, February 20, 2016

Welcome

Council Bishop's Address

Praise the Lord North Carolina Council Leaders and Delegates.

I greet you in the Precious Name of Jesus and welcome you to our first Council session for 2016.

As we enter into this New Year, we already see that there are many reasons to diligently seek the Lord Jesus. We are plagued with sickness and disease; increased immorality; greed; and blatant prejudice which has reared its ugly head. But be comforted in knowing that we have the remedy – Jesus Christ the Righteous One. We, the people of God, know that prayer is the key to pull down every stronghold that has saturated the fabric of America. That is why it is so important that we come together, during our Council sessions, to learn and grow in grace and in the knowledge of our Lord Jesus Christ.

My prayer is that we enter this year with purpose and a mind to serve the Lord with all of our might. Expect to witness more; expect to win souls; expect to esteem the brethren better than yourself. Let us work diligently to build the Kingdom of God. The scripture says, "Let this mind be in you, which was also in Christ Jesus." Philippians 2:5

As we make our mark upon this New Year in the Lord, I recommend that we all obey Luke 21:36

"Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."

May the God of all grace, bless and keep you in His perfect will.

*Respectfully submitted,
Diocesan Bishop Otto Richardson, Jr.*

Council Chairman's Address

THE HISTORIC MONTH OF FEBRUARY

(From a Christian perspective)

The month of February has had a number of names applied to it through the years. It has been called Presidents Month because of the great American presidents born in this month. Valentine's Day was on the fourteenth of this

month and loved by marketing experts because of the amount of money spent trying to tell that "special" someone in your life how much you love them. February is therefore called the month for lovers. And there is Black History month, a time to reflect upon the accomplishments and contributions of African Americans.

As a man of faith, I see racial and ethnic diversity as an expression of God's manifold beauty. No single race or its culture can comprehensively display the infinite glory of God's image, so He gave us our differences to help us appreciate His splendor from various perspectives.

God's **common** and **special grace** even works themselves out in the providential movement of a particular race's culture and history. We can look back on the brightest and darkest moments of our past and see God at work. He's weaving an intricate tapestry of events that climaxes in the life, death, and resurrection of Jesus Christ.

And one day Christ will return. On that day we will all look back at the history—not just of a single race but of **people from every nation, tribe, and tongue**—and see that our Creator had a plan all along. He is writing a story that points to His glory, and in the new creation His people won't have a month set aside to remember His greatness. We'll have all eternity. **Let's Prepare now for His Glory!**

Suffragan Bishop G. E. Dobbin, Chairman
